

FORD **DRIVE** **4 UR SCHOOL**

Virtual Test Drive

We are raising money for Maple Dale School's 8th Grade 2021 Washington, D.C. trip at our Ford Drive 4 UR School virtual test-drive event! For every person who participates, Ford Motor Company will donate \$20 to Maple Dale School. In total, as much as \$6,000 can be raised!

To participate, fill out this pre-drive survey <https://d4ur.com/677W9> up to 3-5 days before the event. Then on Sunday, October 25th you'll get a link to go through the virtual test-drive experience.

All participants must complete the post-drive survey after taking a test-drive for the donation to count, so don't forget to complete the survey at the end!
